To Shareholders

Dear Shareholder,

**Firm Placing of 43,779,000 new Ordinary Shares and Proposed Placing
of a further 17,911,000 new Ordinary Shares at 38 pence per share**

and

Notice of General Meeting

1. Introduction

The Company is a public limited company and was incorporated in the UK on 3 July 2014. It is the holding company of the Group which was originally formed in July 2013 and which operates from offices in London, UK, and Niamey, Niger, with its current principal business being the exploration, appraisal and anticipated eventual development and production of conventional oil deposits in Niger.

The Company announced on 10 July 2015 that it had conditionally raised, in aggregate, gross proceeds of approximately £23.4 million (approximately US\$36.0 million) through the placing of, in aggregate, 61,690,000 new Ordinary Shares, at a placing price of 38 pence per Ordinary Share (the "**Placing Price**") with certain existing and new institutional and other investors via an accelerated book-build (the "**Placing**"). Of this total 17,136,000 Placing Shares have been subscribed for directly with the Company.

The Placing, which has been conducted by Mirabaud and Stifel, acting as joint lead managers, and Ladenburg Thalmann acting as US Placing Agent, pursuant to the terms and conditions of the Placing Agreement, is conditional, *inter alia*, upon Admission.

The Placing is being effected in two tranches. The First Tranche Shares have been placed using the Directors' existing authority granted by Shareholders at the Company's annual general meeting which was held on 29 June 2015 (the "**AGM**") to allot equity securities of the Company up to an aggregate nominal value of £43,779.057 (which equalled approximately one-third of the nominal value of the Company's issued ordinary share capital at 2 June 2015, being the latest practicable date before the publication of the notice of the AGM) without being required to offer those equity securities on a pre-emptive basis pursuant to the Act. The Second Tranche Shares are being placed conditionally upon, *inter alia*, the passing of Resolution 1 at the General Meeting. If Resolution 1 is not passed at the General Meeting, the Second Tranche Shares will not be issued and the proceeds of the Placing to the extent applicable to the Second Tranche Shares will not be available to the Company.

The First Tranche of the Placing is not conditional on the completion of the Second Tranche of the Placing. The Placing is not being underwritten.

Further information on the intended utilisation of the proceeds of the Placing and details of the Resolutions to be proposed at the General Meeting is set out below. Notice of the General Meeting, at which the Resolutions will be proposed and voted on, is set out on pages 15 to 17 of this document.

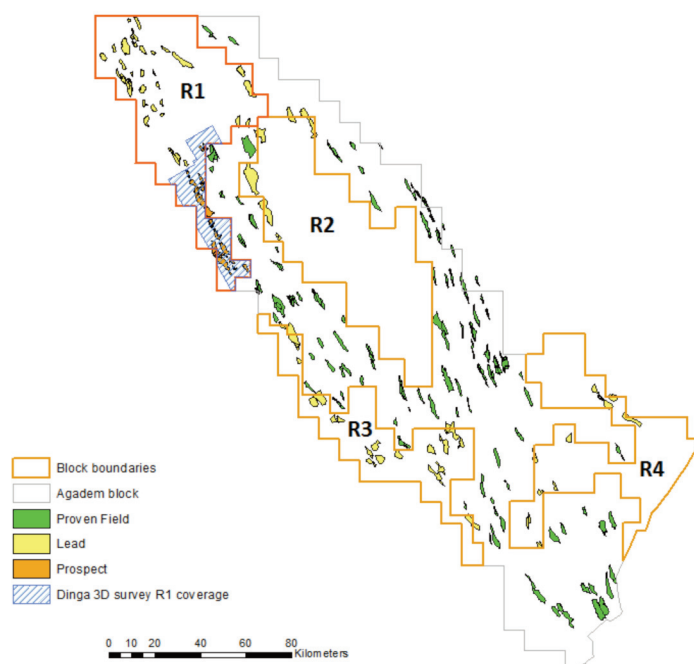

2. Background to and reasons for the Placing

The Company was admitted to trading on AIM on 1 August 2014. At that time the Company completed a fundraising, which delivered gross proceeds of approximately £29.3 million (approximately US\$50 million) to the Company, and secured its interest in the R1/R2 PSC Area of south-eastern Niger that is the subject of the production sharing contract between Savannah Niger and the Government of Niger dated 3 July 2014.

The Company is now seeking to broaden the scope of its activities in Niger, and announced on 9 July 2015 that it has been in discussions with the Ministry of Energy and Petroleum (“MEP”) in respect of the award to Savannah Niger of a production sharing contract concerning the R3/R4 PSC Area. The R3/R4 PSC Area represents a significant oil and gas exploration licence in Niger. The Company has been awarded an exclusivity period over the R3/R4 PSC Area through a letter from the MEP dated 22 June 2015. Subject to the Company posting a bank guarantee with the State of Niger in relation to the proposed signature bonus and related expenditures, the draft R3/R4 PSC is expected to be submitted to Niger’s Council of Ministers for approval and subsequent signature by Savannah and the MEP by mid-August 2015. The Directors believe it is likely the R3/R4 PSC will be awarded to the Company, subject to the necessary funding being available. The funding required is to be secured pursuant to the Placing. Upon signature of the R3/R4 PSC, the sum of approximately US\$31.1 million will become due and payable in accordance with the terms of the R3/R4 PSC.

3. R3/R4 PSC Area

The R3/R4 PSC Area was formerly part of the original Agadem permit operated by China National Petroleum Corporation (“CNPC”), and is located within a 5,249 sq km area in close proximity to the Company’s existing 8,406 sq km R1/R2 PSC Area. Savannah has currently mapped 29 leads across the R3/R4 PSC Area, with a range of mapped closure sizes similar to existing discoveries in the basin.

The principal terms of the R3/R4 PSC are anticipated to reflect those of the R1/R2 PSC, as previously disclosed by the Company, with the exception that:

- The State of Niger’s free carry interest is expected to be set at 15 per cent, a similar level to that which CNPC enjoys in the neighbouring Agadem license area, but lower than the 20 per cent Savannah is subject to in the R1/R2 PSC;
- The minimum work programme during the Exclusive Exploration Authorisation is expected to require the acquisition of 750 sq km 3D seismic and the drilling of two wells in the first phase, 500 sq km 3D

seismic and two wells in the second phase and 250 sq km 3D seismic and two wells in the third (and final) phase;

- 60 per cent of the signature bonus is expected to be deemed to be cost recoverable versus 40 per cent in the R1/R2 PSC.

4. Details of the Placing

The Company placed the First Tranche Shares at the Placing Price conditional only on Admission, which occurred at 8.00 a.m. on 13 July 2015. The First Tranche Shares have been issued pursuant to the existing pre-emption disapplication authority granted to the Directors by Shareholders at the Company's recent AGM. The placing of the First Tranche Shares raised, in aggregate, gross proceeds of approximately £16.6 million (approximately US\$25.5 million). Following their Admission, the First Tranche Shares will represent approximately 25 per cent. of the Company's then enlarged issued ordinary share capital and the holders of the First Tranche Shares will be eligible to vote on the Resolutions.

In addition, the Company has conditionally placed the Second Tranche Shares. As the Company will have utilised all of the Directors' existing authority to allot shares for cash on a non pre-emptive basis following Admission of the First Tranche Shares, the Proposed Placing of the Second Tranche Shares to raise, in aggregate, approximately a further £6.8 million (approximately US\$10.5 million) gross is conditional upon, *inter alia*, the passing of Resolution 1 at the General Meeting and Admission occurring on or before 3 August 2015 (or such later date as Mirabaud and Stifel may agree, not being later than 10 August 2015). Following their Admission, the Second Tranche Shares will represent approximately 9 per cent of the Company's then enlarged issued ordinary share capital.

The Placing Shares, when issued, will rank *pari passu* in all respects with the Existing Issued Ordinary Share Capital with regard to dividend entitlements, interests and all other rights and obligations attaching to the Ordinary Shares.

The Placing Price represents a premium of approximately 0.7 per cent to the closing middle market price of 37.75 pence per Ordinary Share on 8 July 2015, being the last business day prior to the Company's initial announcement of the Placing.

44,554,000 of the Placing Shares have been placed by Mirabaud and Stifel as agents of the Company, with certain existing and new institutional and other investors pursuant to the Placing Agreement. For sales to US Persons or in the United States, the Company has placed the Ordinary Shares with Ladenburg Thalmann, as US Placing Agent and initial purchaser pursuant to the exemption from registration under Section 4(a)(2) of the Securities Act, which will transfer such Ordinary Shares to the US purchasers pursuant to an exemption from registration under Rule 144A. Under the terms of the Placing Agreement, Mirabaud and Stifel and Ladenburg Thalmann will receive commission from the Company conditional on Admission and the Company will give customary warranties and undertakings to Mirabaud and Stifel in relation, *inter alia*, to its business and the performance of its duties. There is no other investment banker, broker, finder or other intermediary that has been retained by or is authorised to act on behalf of the Company who might be entitled to any fee or commission in connection with the Placing. In addition, the Company has agreed to indemnify Mirabaud and Stifel in relation to certain liabilities that they may incur in undertaking the Placing. Mirabaud and Stifel each has the right to terminate the Placing Agreement in certain circumstances prior to Admission, in particular, in the event that there has been, *inter alia*, a material breach of any of the warranties given by the Company to Mirabaud and Stifel.

The balance of the Placing Shares have been subscribed for directly with the Company.

5. Use of proceeds

The net proceeds of the Placing are intended to be used to provide the financial collateral to post a bank guarantee of approximately US\$31.1 million with the State of Niger in relation to the proposed signature bonus and related expenditures on the R3/R4 PSC Area and for general corporate purposes. In the event that the R3/R4 PSC is not awarded to the Company, Savannah would instead utilise the net proceeds of the

Placing for further exploration activity on the R1/R2 PSC Area and for general corporate purposes as determined by the Directors from time to time.

6. The Resolutions

The Resolutions are proposed in the notice of General Meeting as set out at the end of this document. They are proposed as special resolutions.

The Directors do not currently have sufficient authorities in place to undertake the Proposed Placing of the Second Tranche Shares. Therefore, the Directors are seeking (i) authority to allot up to 17,911,000 new Ordinary Shares in order to complete the Proposed Placing, (ii) authority to allot up to a further 20,000,000 new Ordinary Shares (representing approximately 10 per cent of the enlarged issued share capital following the Placing) going forward; (iii) a specific disapplication of the statutory pre-emption rights to allot the new Ordinary Shares referred to at (i) above, to allow the Proposed Placing of the Second Tranche Shares to proceed, and (iv) a specific disapplication of the statutory pre-emption rights to allot the new Ordinary Shares referred to at (ii) above, should the Directors consider that to be in the best interests of the Company.

Shareholders should be aware that the issue of the Second Tranche Shares cannot take place if Resolution 1 is not passed. Shareholders are strongly encouraged to vote in favour of both Resolutions. The passing of Resolution 1 is not conditional on the passing of Resolution 2 and vice-versa.

7. General Meeting

A notice convening the General Meeting to be held at the offices of Mirabaud, 33 Grosvenor Place, London SW1X 7HY on 30 July 2015 at 10.30 a.m., is set out at the end of this document.

8. Action to be taken

You will find enclosed with this document a reply-paid form of proxy for use by Shareholders at the General Meeting. Whether or not you intend to be present at the General Meeting, you are requested to complete this form in accordance with the instructions printed on it as soon as possible. To be valid, completed forms of proxy must be received by Computershare Investor Services plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY by no later than 10.30 a.m on 28 July 2015.

Completion and return of the Form of Proxy will not preclude you from attending and voting in person at the General Meeting if you so wish.

New Shareholders should note that, in order to have the right to attend and vote at the meeting, their holding must be entered on the Company's share register by 6 p.m. on 28 July 2015.

Shareholders are reminded that the Proposed Placing of the Second Tranche Shares is conditional, *inter alia*, on the passing of Resolution 1 to be proposed at the General Meeting. Should Resolution 1 not be passed, the Proposed Placing of the Second Tranche Shares will not proceed and the associated subscription monies in respect of the Second Tranche Shares will be returned to investors.

In the event that Resolution 1 is not passed, the Company will be required to secure alternative sources of funding in order to meet its general corporate and working capital requirements. There is no guarantee such funding would be forthcoming.

9. Recommendation

Given that the Proposed Placing of the Second Tranche Shares will only be completed if Shareholders vote in favour of Resolution 1 (as explained above), Shareholders are strongly urged to vote in favour of that Resolution, particularly given the requirement for the Company to utilise the proceeds of the Second Tranche Shares (being issued pursuant to that Resolution) for the purposes of replenishment of its working capital, which will have been reduced by the acquisition of the R3/R4 PSC.

The Directors consider the passing of the Resolutions and the completion of the Placing to be in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors

unanimously recommend that all Shareholders vote in favour of the Resolutions, as they intend to do, or procure to be done, in respect of their own beneficial shareholdings, being at the Latest Practicable Date, in aggregate, 27,991,543 Ordinary Shares, representing approximately 21.3 per cent of the Existing Issued Ordinary Share Capital.

Yours faithfully

Stephen Ian Jenkins
Chairman

(1) THAT:

- (A) the Directors be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Companies Act 2006 (the “Act”) to exercise all the powers of the Company to allot up to 17,911,000 new Ordinary Shares in connection with the Second Tranche of the Placing; and
- (B) the Directors be empowered pursuant to Section 570 of the Act to allot equity securities (as defined in Section 560(1) of the Act) for cash pursuant to the authority given by paragraph (A) of this Resolution as if section 561(1) of the Act did not apply to such allotment,

such powers to be in addition to all previous or existing powers or authorities under Sections 551 or 570 of the Act (including the powers and authorities to be granted in the event of the passing of the Resolution number 2 below) and which shall expire (unless renewed, varied or revoked by the Company in general meeting) at the conclusion of the next annual general meeting of the Company or on 30 June 2016, whichever is the earlier.

Replenishment of general authority to allot Ordinary Shares on a non pre-emptive basis

(2) THAT:

- (A) the Directors be generally and unconditionally authorised pursuant to and in accordance with Section 551 of the Act to exercise all the powers of the Company to allot shares in the Company or grant rights to subscribe for, or convert any security into shares in the Company up to a maximum aggregate nominal amount of £20,000; and
- (B) the Directors be empowered to allot equity securities (as defined in Section 560(1) of the Act) for cash pursuant to the authority given by paragraph (A) of this Resolution or where the allotment constitutes an allotment of equity securities by virtue of Section 560(3) of the Act otherwise than in connection with a pre-emptive offer, as if section 561(1) of the Act did not apply to such allotment,

such powers to be in addition to all previous or existing powers or authorities under Sections 551 or 570 of the Act (including the powers and authorities to be granted in the event of the passing of the Resolution number 1 above) and which shall expire (unless renewed, varied or revoked by the Company in general meeting) at the conclusion of the next annual general meeting of the Company or on 30 June 2016, whichever is the earlier, but so that the Company may during this period, make offers or enter into agreements which would, or might, require equity securities to be allotted after the powers expire and the Directors may allot equity securities under any such offer or agreement as if the powers and authorities conferred by the Resolution had not expired.

For the purposes of this Resolution:

- (i) “pre-emptive offer” means an offer of equity securities open for acceptance for a period fixed by the Directors to (a) holders of Ordinary Shares (other than the Company) on the register on a record date fixed by the Directors in proportion to their respective holdings, and (b) other persons so entitled by virtue of the rights attaching to any other equity securities held by them, but subject in both cases to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or legal, regulatory or practical problems in, or under the laws of, any territory;
- (ii) references to an allotment of equity securities shall include a sale of treasury shares; and
- (iii) the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

BY ORDER OF THE BOARD

Company Secretary

Notes:

1. The Resolutions are subject to the approval of the Shareholders (being the holders of Ordinary Shares in the Company).
2. Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, the Company specifies that only those members holding ordinary shares in the capital of the Company and registered on the Company’s register of members at 6.00 p.m. on 28 July 2015 (London time) (or, if the General Meeting is adjourned, 6.00 p.m. on the day which is two days before the date of the adjourned meeting) shall be entitled to attend and vote at the General Meeting.
3. If you are a member of the Company at the time set out in note 2 above, you are entitled to appoint a proxy to exercise all or any of your rights to attend, speak and vote at the meeting and you should have received a form of proxy with this document. You can only appoint a proxy using the procedures set out in these notes and the notes to the proxy form. If you do not have a form of proxy and believe that you should have one, or if you require additional forms, please contact the Company’s registrars using the contact details set out at note 13 below.
4. A proxy does not need to be a member of the Company but must attend the meeting to represent you. Details of how to appoint the Chairman of the Meeting or another person as your proxy using the proxy form are set out in the notes to the proxy form. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
5. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please contact the Company’s registrars using the contact details set out at note 13 below.
6. To direct your proxy on how to vote on the Resolutions, please mark the appropriate box with an “X”. To abstain from voting, select the relevant “Vote Withheld” box. A vote withheld is not a vote in law, which means that the vote will not be counted in calculation of votes for or against the relevant Resolution. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.
7. The notes to the proxy form explain how to direct your proxy how to vote on each Resolution or withhold their vote. If you return more than one proxy appointment, either by paper or electronic communication, the proxy appointment received last by the Company’s registrars before the latest time for receipt of proxies will take precedence.

To appoint a proxy using the proxy form, the form must be:

- (a) completed and signed;
- (b) sent or delivered to Computershare Investor Services plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY or scanned by email to externalproxyqueries@computershare.co.uk; and
- (c) received no later than 10.30 a.m. on 28 July 2015 or 48 hours before the time fixed for any adjourned meeting at which the proxy is to vote.

In the case of a member which is a company, the proxy form must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

Any power of attorney or any other authority under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

8. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
9. The return of a completed form of proxy, other such instrument or any CREST Proxy Instruction (as described in Note 12 below) will not prevent a shareholder attending the General Meeting and voting in person if he/she wishes to do so.
10. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the General Meeting (and any adjournment of the General Meeting) by using the procedures described in the CREST Manual (available from <https://euroclear.com/site/public/EUI>). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
11. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "**CREST Proxy Instruction**") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuers' agent 3RA50 by 10.30 a.m. on 27 July 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuers' agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
12. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
13. Members who have general queries about the meeting should do so by calling Computershare Investor Services PLC on 0870 707 1133 (or, if calling from outside the UK, on +44 (0) 870 707 1133). Different charges may apply to calls made from mobile telephones and calls may be recorded and randomly monitored for security and training purposes. Please note that Computershare Investor Services PLC cannot provide investment advice, nor advise you on how to cast your vote on the Resolutions.
14. If a corporation is a member of the Company, it may by resolution of its directors or other governing body authorise one or more persons to act as its representative or representatives at the meeting and any such representative or representatives shall be entitled to exercise on behalf of the corporation all the powers that the corporation could exercise if it were an individual member of the Company. Corporate representatives should bring with them either an original or certified copy of the appropriate board resolution or an original letter confirming the appointment, provided it is on the corporation's letterhead and is signed by an authorised signatory and accompanied by evidence of the signatory's authority.
15. As at 13 July 2015 (being the latest practicable business day prior to the date of posting of this notice of General Meeting), the Company's issued Ordinary Share capital comprised 175,116,172 Ordinary Shares of £0.001 each and therefore that the total voting rights in the Company as at that time were 175,116,172.
