Savannah Petroleum PLC
("Savannah" or the "Company")

Updated Company Presentation

Savannah Petroleum, the Niger focused oil and gas company, is holding its Annual General Meeting ("AGM") at 11.00am today. A presentation will be given to attendees of the AGM, a copy of which has now been uploaded to the Company's website (www.savannah-petroleum.com). No material new information will be disclosed.

Savannah expects to provide a technical update over the course of the coming weeks in relation to the R1/R2 license area following the completion of the structural interpretation of its Agadem Rift Basin Full Tensor Gradiometry survey, and subsequent incorporation of these results into the Company's subsurface model.
