**Savannah Petroleum PLC**  
("Savannah" or "the Company")

**Signature of Seismic Framework Contract**

Savannah Petroleum PLC ("Savannah") is pleased to announce the signature of a framework contract ("Contract") with BGP Niger SARL for the provision of 2D and 3D land seismic acquisition services in respect of the R1/R2 and R3/R4 PSC license areas in south east Niger. The Company anticipates that work under the Contract will commence in H1 of this year, and further updates will be provided as appropriate.
