To Savannah Petroleum PLC shareholders

3 June 2015

Dear Shareholder,

ANNUAL GENERAL MEETING 2015

I am pleased to inform you that the Company's first Annual General Meeting (the "AGM") will be held on 29 June 2015 at 11.00 a.m. at the offices of Mirabaud, 33 Grosvenor Place, London, SW1X 7HY. The formal notice convening the AGM (the "Notice of AGM" or "Notice") on pages 5 to 6 of this document sets out the business to be considered at the meeting. The purpose of this letter is to explain certain elements of that business to you.

An explanation of each of the resolutions to be proposed at the AGM is set out below. Resolutions 1 to 9 will be proposed as ordinary resolutions; this means that for each of those ordinary resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 10 and 11 will be proposed as special resolutions; this means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Each of the resolutions to be considered at the AGM will be voted on by way of a poll. This ensures that shareholders who are unable to attend the AGM but who have appointed proxies have their votes fully taken into account. The results of the polls will be notified via the Regulatory News Service and published on the Company's website as soon as possible after the conclusion of the AGM.

ORDINARY RESOLUTIONS

Resolution 1 – To receive the Annual Report and Accounts

The Directors are required to present the strategic report, directors' report and auditor's report and annual accounts of the Company to the meeting. These are contained in the Company's annual report and financial statements for the period ended 31 December 2014 (the "Annual Report").

Resolutions 2 to 5 – Election of Directors

The Company's Articles of Association require that each Director appointed to the Board shall retire and seek election at their first AGM following appointment and every three years thereafter. This being the Company's first AGM, all Directors will seek election by members.

The Board is satisfied that each of the Directors continues to be effective and demonstrates a commitment to their role and that each of the Directors continues to be able to dedicate sufficient time to their duties. The Board has considered and reviewed the independence of each Non-Executive Director and is of the view that the Non-Executive Directors were, and continue to be, independent within the meaning of the UK Corporate Governance Code.

The Directors believe that the Board continues to include an appropriate balance of skills and provides effective leadership for the Group. The Directors' biographies set out below illustrate the wide range and high calibre of skills and experience from the oil and gas industry brought to bear on matters considered by the Board.

Accordingly, the Board unanimously recommends the election of the Directors set out in resolutions 2 to 5.

Resolution 2 – To elect Stephen Jenkins as a Director

Role: Non-Executive Chairman

Appointment to the Board: 26 July 2014

Committee Membership: Audit Committee, Remuneration and Nomination Committee

Steve is widely recognised as one of the most capable oil and gas executives in the UK, having delivered for his investors as CEO of Nautical Petroleum a £414 million sale to Cairn Energy in Q3 2012. Prior to Nautical Petroleum, Steve held a variety of senior roles at Nimir Petroleum, a private Saudi Arabian company with extensive global exploration and production interests. Steve is a geologist by profession and is currently Chairman of the Oil and Gas Independents Association, Circle Oil plc, Franklin Petroleum Limited and Terrain Energy Limited.

Resolution 3 – To elect Andrew Knott as a Director

Role: Chief Executive Officer

Appointment to the Board: 3 July 2014

Committee Membership: None

Andrew was one of the principal founders of Savannah Petroleum. He has held leading roles in the European oil and gas sector for the last decade with extensive energy and investment experience across emerging markets. Andrew was previously Head of Global Energy Investments for GLG Partners/MAN Group which, at December 2012, was the largest listed hedge fund in the world by assets. Prior to GLG Partners, he held various roles at Merrill Lynch and Dresdner Kleinwort Wasserstein.

Resolution 4 – To elect Marco Iannotti as a Director

Role: Non-Executive Director

Appointment to the Board: 3 July 2014

Committee Membership: Audit Committee (Chairman), Remuneration and Nomination Committee

Mark is an experienced capital markets professional with over 20 years' experience in EMEA equities, which has been largely focused around the Oil & Gas sector, most recently in a broader managerial capacity as a member of Bank of America Merrill Lynch's EMEA Executive Committee and Head of its EMEA Equity Research Division. Mark began his career at Wood Mackenzie Consultants, focusing on the Asian and Indian-sub Continent energy markets. He has subsequently held senior equity research positions at Cazenove & Co, Credit Suisse, Citigroup and most recently Bank of America Merrill Lynch.

Resolution 5 – To elect David Jamison as a Director

Role: Non-Executive Director

Appointment to the Board: 26 July 2014

Committee Membership: Remuneration and Nomination Committee (Chairman), Audit Committee

David was one of the founders of the modern day Vitol, having executed a management buyout of the company alongside three partners in 1976. He left Vitol in 1986 to operate as an independent venture capitalist in the upstream oil and gas industry. David's principal investment vehicle today is DLJ Associates Limited which seeks to act as agent and advisor on upstream oil and gas transactions. Previous companies David has held integral roles at include Russian focused oil and gas company Sibir Energy plc (founder director) and independent gasoline company Blue Ocean Associates Limited (founder director).

Resolution 6 – To appoint Grant Thornton UK LLP as auditor of the Company, to hold office until the conclusion of the next general meeting of the Company at which accounts are laid before its Members

At each meeting at which the Company's accounts are presented to its Members, the Company is required to appoint an auditor to serve until the next such meeting. The Board, on the recommendation of the Audit Committee, recommends the appointment of Grant Thornton UK LLP.

Resolution 7 – To authorise the Audit Committee to determine the remuneration of the auditor

This resolution gives authority to the Audit Committee to determine the auditor's remuneration.

Resolution 8 – Electronic Communications

This resolution seeks to allow the Company to take advantage of the electronic communications rules in the Companies Act 2006 (the "Act"). These rules concern communications between companies, their members and others.

The resolution, if passed, would allow the Company to use electronic communications with shareholders as the default position by placing documents such as the annual financial report and accounts on the website rather than having to send them in hard copy. The Company will notify shareholders, by post or email if they have provided an email address, that the document is available on the website. Shareholders can, however, ask for a hard copy of any document at any time.

Under the Act, the Company can write to shareholders asking for their consent to receive communications via the website or by other electronic means. The request applies to all documents including, but not limited to, the annual financial report and accounts, notices of general meetings, any documents which the Company is required to send to shareholders under the AIM Rules or other rules the Company is subject to, and any documents sent pursuant to the Articles of Association. A shareholder who does not respond within 28 days of receiving the notice will be deemed to have consented to the use of the website and to receiving documents via electronic means.

If this resolution is passed, the new arrangements are expected to result in potential administrative, printing and postage cost savings for the Company, whilst preserving shareholders' rights to receive hard copy documents if they so wish.

Resolution 9 – To authorise the Directors to allot Ordinary Shares

The purpose of this resolution is to give the Directors powers to allot shares. The authority in paragraph (a) of this resolution, if passed, would provide the Directors with a general authority to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a nominal amount of £43,779.057, which is equal to approximately one-third of the issued share capital of the Company as at 2 June 2015, being the latest practicable date before the publication of this Notice.

Paragraph (b) under resolution 9 will grant the Directors additional authority to allot new shares and grant rights to subscribe for, or convert other securities into, shares only in connection with a rights issue up to a further nominal amount of £43,779.057, which is equal to approximately one-third of the issued share capital of the Company as at 2 June 2015, being the latest practicable date before the publication of this Notice. As at 2 June 2015, the Company did not hold any shares in treasury.

This resolution is in line with the Share Capital Management Guidelines issued by the Investment Association in July 2014 to allot a maximum aggregate nominal amount which represents no more than two-thirds of the Company's issued share capital. In addition, in accordance with the Share Capital Management Guidelines, it is envisaged that if the authority under paragraph (b) of resolution 9 is utilised, all of the Directors will offer themselves for re-election at the Company's next annual general meeting. The resolution would give the Board of Directors the maximum flexibility permitted by investor guidelines to respond to market developments, however, there are no current plans to allot shares except in connection with the Company's employee share schemes.

Paragraph (c) under resolution 9 will grant the Directors additional authority to allot up to a further nominal amount of £19,700, being the maximum which may be allotted under the Company's Management Long Term Incentive Plan established on 28 November 2014 ("LTIP") and equivalent to 15% of the issued share capital of the Company as at 2 June 2015. This authority may only be used in connection for the satisfaction of the provisions under the LTIP and not for any other purpose.

If this resolution is passed, the authority will expire at the earlier of 30 June 2016 and the Company's next annual general meeting. It is the intention of the Directors to seek to renew this authority every year.

SPECIAL RESOLUTION

Resolution 10 – To authorise the Directors to dis-apply pre-emption rights

This resolution would, if passed, allow the Directors to allot shares or sell treasury shares for cash (other than in connection with an employee share scheme), without having to offer such shares to existing shareholders in proportion to their own holdings (known as pre-emption rights).

The purpose of paragraph (a) of resolution 10 is to authorise the Directors to allot new shares pursuant to the authority given by paragraph (a) of resolution 9, or sell treasury shares, for cash (i) in connection with a pre-emptive offer or rights issue or (ii) otherwise up to a nominal value of £43,779.057, equivalent to approximately one-third of the total issued ordinary share capital of the Company as at 2 June 2015, in each case without the shares first being offered to existing shareholders in proportion to their existing holdings. As at 2 June 2015, the Company did not hold any shares in treasury.

The purpose of paragraph (b) of resolution 10 is to authorise the Directors to allot new shares pursuant to the authority given by paragraph (b) of resolution 9, or sell treasury shares, for cash in connection with a rights issue without the shares first being offered to existing shareholders in proportion to their existing holdings. If this resolution is passed, the authority will expire at the earlier of 30 June 2016 and the Company's next annual general meeting. It is the intention of the Directors to seek to renew this authority every year.

The Directors consider the authority in resolution 10 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue or to otherwise issue a limited number of shares for cash pursuant to a subscription or placing.

Resolution 11 – To approve the purchase of the Company's own shares

This resolution would, if passed, authorise the Company to make market purchases of up to 26,267,434 of its own Ordinary Shares, representing 20% of the Company's issued share capital as at 2 June 2015. The resolution specifies the minimum and maximum prices at which the Ordinary Shares may be bought under this authority. This authority will expire at the conclusion of the Company's next annual general meeting. It is the intention of the Directors to seek to renew this authority every year.

The Directors have no present intention to exercise the authority granted by this resolution, but the authority provides the flexibility to allow them to do so in future. The Directors would not exercise the authority unless they believed that the expected effect would promote the success of the Company for the benefit of its shareholders as a whole. Any shares purchased would be effected by a purchase in the market and may either be cancelled or held as treasury shares, which may then be cancelled, sold for cash or used to meet the Company's obligations under any employee share scheme. As at 2 June 2015, the Company did not hold any shares in treasury.

RECOMMENDATION

The Directors believe that the resolutions contained in the Notice of Meeting are in the best interests of the Company and shareholders as a whole and unanimously recommend that shareholders vote in favour of them, as the Directors intend to do in respect of their beneficial shareholdings.

ACTION TO BE TAKEN

If you would like to vote on the resolutions but will not be attending the AGM, you may appoint a proxy by completing and returning the enclosed Form of Proxy. Alternatively, a duly completed Form of Proxy may be scanned and sent by email to externalproxyqueries@computershare.co.uk or, if you hold your shares in CREST, you can appoint a proxy via the CREST system. In each case, notice of your appointment of a proxy should reach the Company's Registrar, Computershare Investor Services plc, at the address shown on the Form of Proxy, no later than **11.00 a.m. on Thursday 25 June 2015**. If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for appointing a proxy.

Your sincerely

- (iii) references to an allotment of equity securities shall include a sale of treasury shares; and
- (iv) the nominal amount of any securities shall be taken to be, in the case of rights to subscribe for or convert any securities into shares of the Company, the nominal amount of such shares which may be allotted pursuant to such rights.

 - (ii) an amount equal to the higher of the price of the last independent trade of an Ordinary Share and the highest current independent bid for an Ordinary Share as stipulated by Article 5(1) of the Buy-back and Stabilisation Regulation (No.2273/2003).

IMPORTANT NOTES

The following notes explain your general rights as a shareholder and your right to attend and vote at this AGM or appoint someone else on your behalf.

1. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes you may cast), you must be registered in the Register of Members of the Company at 6:00 p.m. on 25 June 2015 (or, in the event of any adjournment, 6.00 p.m. on the date which is 48 hours before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting. There are no other procedures or requirements for Members to comply with in order to attend and vote at the AGM.
2. It is the current intention that voting at the AGM will be conducted by way of a poll and not by a show of hands. The Company believes that a poll is more representative of shareholders' voting intentions because shareholder votes are counted according to the number of Ordinary Shares held and all votes tendered are taken into account.
3. The doors will open at 10.30 a.m. and you may wish to arrive by 10:45 a.m. to enable you to register and take your seat in good time. If you have any special needs or require wheelchair access to the premises where the AGM is held, please, in advance of the meeting, please contact the Company's Registrar using the contact details set out in Note 23 below. Mobile phones may not be used in the meeting hall and cameras and recording equipment are not allowed in the meeting hall.
4. If you are a Member at the time set out in Note 1 above, you are entitled to appoint a proxy to exercise all or part of your rights to attend, speak and vote at the meeting and you should have received a Form of Proxy with this Notice. You can only appoint a proxy using the procedures set out in these notes and the notes to the Form of Proxy. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact the Company's Registrar using the contact details set out in Note 23 below. A proxy need not be a Member but must attend the meeting to represent you. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
5. You may appoint more than one proxy provided that each proxy is appointed to exercise the rights attached to a different Ordinary Shares. You may not appoint more than one proxy to exercise the rights attached to any one share. To appoint more than one proxy, please contact the Company's Registrar using the contact details set out in Note 23 below.
6. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first named being the most senior).
7. Any person to whom this Notice is sent who is a person nominated under Section 146 of the Act to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the Member by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the Member as to the exercise of voting rights.
8. The statement of the rights of shareholders in relation to the appointment of proxies in Notes 4, 6 and 11 do not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by Members of the Company.
9. The notes to the Form of Proxy explain how to direct your proxy on how to vote on each resolution or withhold their vote. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the AGM.
10. The return of a completed form of proxy, other such instrument or any CREST Proxy Instruction (as described in Note 13 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
11. To be valid, any Form of Proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company's Registrar, at the address shown on the Form of Proxy or, in the case of shares held through CREST, via the CREST system (see Note 12 below). Alternatively, a duly completed Form of Proxy may be scanned and sent by email to externalproxyqueries@computershare.co.uk. In each case, for proxy appointments to be valid, they must be received no later than 11.00 a.m. on Thursday 25 June 2015. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged. If you return more than one proxy appointment, either by paper or electronic communication, the proxy appointment received last by the Company's Registrar before the latest time for the receipt of proxies will take precedence.

12. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM (and any adjournment of the AGM) by using the procedures described in the CREST Manual (available from <https://euroclear.com/site/public/EUI>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
13. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuers' agent (ID 3RA50) by 11.00 a.m. on Thursday 25 June 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST application host) from which the issuers' agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
14. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) (a) of the Uncertificated Securities Regulations 2001.
15. In the case of a Member which is a company, the Form of Proxy must be executed under its common seal or signed on its behalf by an officer of the company or an attorney of the company. Any power of attorney or any other authority under which the Form of Proxy is signed (or a duly certified copy of such power or authority) must be included with the Form of Proxy.
16. Any corporation which is a Member may, by resolution of its directors or other governing body appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that no more than one corporate representative exercises powers in relation to the same shares. Corporate representatives should bring with them either an original or certified copy of the appropriate board resolution or an original letter confirming the appointment, provided it is on the corporation's letterhead and is signed by an authorized signatory and accompanied by evidence of the signatory's authority.
17. Under Section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on its website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstances connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under Section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under Section 527 of the Act to publish on a website.
18. Any shareholder attending the meeting has the right to ask questions.
